As a followup from our discussion with legal yesterday, GSA folks provided the content initially for the site in the Meritalk article (Walt Nicholson in OCM) and maintain the content on the site now - Jeff Woodworth in comms -

Thanks,
Lesley

I designed the architecture of the site and gathered the initial content and the GSA web team was involved in the coding / Wordpress implementation.
Since February, Jeff Woodworth has been the primary contact for it - developing more content and keeping it updated.
